ZVH 22/17 The **minutes** of the Village Hall and Management Committee Meeting held on 22 September 2022 were approved and signed

ZVH 22/18 Village Hall Chair's Report.

Mrs Colbourne delivered her report to the meeting. See attached Report. Concern was raised regarding the tiles falling off the roof and the brickwork crumbling. **Mrs Colbourne** will liaise with **Cllr d'Ambrumenil** who was instrumental in reparatory work on the attached arms houses.

Mrs Colbourne will also arrange for the path to be blocked off where the tiles are falling until such time as the roof is deemed safe.

Graham Poynton will also ask the builder who originally did the roof to return and look at it.

ZVH 22/19 Finance report.

The finances are well off with the rental income remaining good. The roof will require repairing and this might be expensive but there is no cause for concern at the present time.

ZVH 22/20 Coronation Plans

With so few volunteers to call on the Village Hall Committee are reluctant to take on a big celebration. It had been suggested that combining the BBQ with this event would work. Further discussion took place during the Council meeting with the Church having plans. It was agreed that they would include the whole community so only one event was taking place. **Cllr d'Ambrumenil** will act as liaison between the Council, Church and Village Hall

ZVH 22/21 Any Other business

Cllr Gray thanked the Village Hall Management Committee and volunteers.
